Anchorage, AK 99511

SUMMARY OF QUALIFICATIONS

- Experienced Project Manager and Geoscientist with expertise planning and executing field investigations, including projects in remote locations under adverse conditions, e.g. Alaska, Canada, Scotland and Taiwan.
- Experienced managing satellite offices, preparing budgets and RFPs, and hiring, mentoring and training staff.
- Extensive experience negotiating permits with Federal, State, municipal and private agencies.
- Extensive experience siting, permitting, building and maintaining high-precision monitoring networks and designing power systems and telemetry for very remote locations: mountains, volcanoes, islands and arctic environments.
- Experienced working with a wide variety of data acquisition instruments, telemetry devices and computer networks.
- Extensive experience in hydrogeologic site characterization and modeling for landfills, mines, hazardous waste and nuclear waste disposal sites, hydrofrac stress measurements and engineering applications of geophysics.
- Extensive experience in testing, interpreting and modeling the flow characteristics of fractured rocks and heterogeneous flow systems.
- Extensive experience writing technical reports and making presentations to scientific audiences and the public.
- Experienced with advanced computer systems including network design, security audits, disaster recovery planning, RAS, VPNs, hardware maintenance and software upgrades for mixed platform networks -- PC, Mac & UNIX.

EDUCATION

1990	M.Eng.	Geotechnical Engineering	University of California, Berkeley (Lewis Fellowship)
1987	M.S.	Exploration Geophysics	Stanford University (Green Fellowship)
1984	B.S.	Geology & Geophysics	University of Missouri, Rolla

PROFESSIONAL EXPERIENCE

2013 - 2015	Honeywell Technology Services Inc, Deployment Coordinator/Operations Mgr.	Anchorage, AK
2010 - 2013	Self-employed, Geology & Geophysics Consultant	Anchorage, AK
2008 - 2010	UNAVCO INC., Regional Engineer - Alaska	Anchorage, AK
2004 - 2008	UNAVCO INC., Regional Engineer - Northern California	Richmond, CA
2002 - 2008	BERKELEY COMMUNITY MEDIA, Treasurer & Board Member	Berkeley, CA
2001 - 2004	Self-employed, Information Systems & Security Consultant	Moraga, CA
2001 - 2002	BERKELEY NEIGHBORHOOD COMPUTERS, Director of Operations	Berkeley, CA
2000 - 2001	NINTH HOUSE NETWORK, IT Director	San Francisco, CA
1999 - 2000	SPRINT ENTERPRISE SERVICES, Technical Solutions Consultant	Dallas, TX & San Francisco CA
1998 - 1999	DIGITALNRG, Network Engineer	Dallas, TX
1996 - 1998	WORLD PRODUCERS INC., V.P. Production,	Dallas, TX
1994 - 1996	GOLDER ASSOCIATES, INC, Senior Project Mgr. - Hydrogeology & Geophysics	Denver, CO
1990 - 1994	GOLDER ASSOCIATES UK, Ltd., Senior Hydrogeologist	Nottingham, UK
1987 - 1988	TENNECO OIL CO., Exploration Geophysicist	Bakersfield, CA

ADDITIONAL EDUCATION AND TRAINING

Fundamentals of Successful Project Management	DOE Rad Worker Level II
Managing Multiple Projects, Objectives and Deadlines	Mine Site Health and Safety (MSHA)
SUN Solaris System Administration I	40-Hour OSHA Hazardous Waste Health and Safety
SUN Solaris System Administration II	8-Hour OSHA Refresher
Advanced Cisco Router Configuration	GIAC - Systems and Network Auditor
<u>Microsoft Certifications:</u> Systems Engineer (MCSE); Certified Trainer (MCT)	
ACA Whitewater Kayak Instructor
